Sub: Community projects-South Kanara area-Opening of Nurseries for Green manures-Supply of seeds.

Ref: Government memo No.894 Public (C.P) II.53.1 dated 16.2.53.

..

It is presumed that the proposal relates to the raising of seedlings of green leaf yielding trees, like glyricidia etc. for distribution to ryots.

In so far as the community Project areas are concerned, it is a good idea for each area to concentrate on local production of seedlings so that the work of ~~[illegible]~~ developing green manures can be speeded up.

Ref: This Office Ref.C.No.2/52-B dated 10-11-52, 18-11-52, 25-12-52 and Ref.C.No.159/52 dated 10-1-1953.

****

The season for starting green manure nurseries has already commenced and it will be late if immediate action is not taken. The seeds especially Glyrecidia has to be got from the stations outside the District. It will be late further, if sanction is not immediately given to get the seeds from other Districts and start nurseries. I request therefore that immediate orders may kindly be given sanctioning the expenditure of at least Rs. 1,000/- to start the nurseries in important centres. This may kindly be treated as very urgent.

I had requested for a sanction of at least Rs. 1,000/- for starting green manure nurseries in my references cited. I have not received orders on these. In Govt.Memo.No. 457 Pub.(C.P.Accts)/53-17 dated 26-2-53, a sum of Rs. 1,000/- has been provided against Agrl. Extension under the head Agricultural and Animal Husbandry Extension. It is presumed that the provision of Rs. 1,000/- made in the Government reference mentioned above is for starting green manure nurseries. As the expenditure has to be incurred before the close of the current official year, I request that necessary sanction may be accorded for incurring an expenditure of Rs. 1,000/- The cost of vegetable seeds and insecticides will also be met from the provision of Rs. 1,000/-

Please see the letter from the P.E.O Mangalore in the C.F. In the first sentence he refers to the Project estimates originally sntd by him. His revised ~~Budget~~ Project estimates ~~are~~ awaited from him and he has been separately reminded. The P.E.O has sntd a proposal to start green manure nurseries in 10 places in Block I at an estimated cost of Rs 1500/- as at M on p1 cf. He has reported that he has made provision in the estimates under the head "Nurseries for Green manure" to a tune of Rs 2000/- for 1952-53. Perhaps it is for the 1st Block and in which the work is started. ~~Him~~ ~~This means nearly Rs 950/ Rs 666/- per block. In The estimate it is seen he now sntd by him is for a single block at Rs 1500/- The remaining amount of Rs 500/- will not be sufficient if full justification has to be done for the 2 other blocks in the area.~~ No other P.E.O has requested sanction for such an expenditure. It is for orders whether a sum of Rs 1500/- as requested by the P.E.O Mangalore, ~~may~~ will be sanctioned or whether the D.A may be consulted ~~as~~ to ~~the necessity~~ whether green manure cannot be prepared without incurring the expenditure.

at pp. 7 & 9 CF. In his letter dt 9-3-53 ~~at on~~ p 9 CF. the P.E.O. refers to the Accts Section Memo in which a sum of Rs 1000/- has been provided against Agri. & Animal Husbandry Extn & asks, that if the provision is made for starting Green Manure nurseries, the expenditure of Rs 1000/- may be sanctioned immediately.
